

**Great basketball supporting
Good works!**

The proceeds of the Gonzaga DC Classic Basketball Charity Tournament benefit the **Gonzaga Service Program** which provides students with volunteer experiences in service to the poor, the sick and the forgotten of our society as they work toward becoming "men for others."

The service projects include **The McKenna Center** for homeless men located on our campus, **McKenna's Wagon**, a soup kitchen on wheels, the **Emmitsburg Project**, a four day program in Appalachia, the junior spring break program with migrant farm workers in **Apopka, Florida**, and the senior projects in **Camden, NJ, New York City, Pine Ridge Indian Reservation, South Dakota, The Dominican Republic and Guatemala.**

Service is a strong tradition at Gonzaga. A big reason why our Service Program works so well is the support received from the Gonzaga family, especially the Fathers' Club and the Gonzaga DC Classic.

Thank you for your support!
